WORKFORCE

OMD expanded its professional support through a new partnership with City Colleges of Chicago and Chicago Public Schools - Career Launch Chicago. The new initiative will provide youth apprenticeship opportunities and job readiness and student supports.

MEDICAL ASSISTANT PATHWAY PROGRAM (M.A.P.P.)
OMD’s first cohort of M.A.P.P. participants - partnered with West Side United and local Chicago area hospitals - graduated in December.

CHICAGOLAND CHAMBER OF COMMERCE (COCAP)
The second cohort of the COCAP program began this February. Cohort one completed their first year with two job offers with their current companies.

AON
OMD’s second cohort of apprentices, partnered with AON through Harold-Washington College, graduated in December.

THE VIRTUAL EXPERIENCE

Since March 2020, OMD Staff worked diligently to transition our program and events online. Over the past several months, OMD has successfully transitioned its signature Scholar Development Sessions to Zoom, connected scholars to virtual tutoring services, and raised more than $90,000 by hosting two virtual fundraising and engagement events. We are grateful for and inspired by the resilience of the OMD community during these uncertain times.

- 64% ATTENDANCE RATE FOR SCHOLAR DEVELOPMENT SESSIONS
- 192 ATTENDEES FROM BOTH VIRTUAL ENGAGEMENT EVENTS VIA ZOOM
- $90K RAISED FROM BOTH VIRTUAL FUNDRAISING ENGAGEMENT EVENTS
